

Summit Theological Seminary Would like to Help You During the "Coronavirus Lock-in"!

We have noticed a drop in our service request even though many are quarantined in their homes. This may be due to their lack of income or knowledge that there are ways to find true Spiritual reading or listening at a low price during these frustrating days.

We Want to
Help You Grow
in Christ
While You're
House
Contained!!

Turn this "lemon" into "Lemonade"!
