

In Eden, Eve Turned from God

She Heard a lie....

She Believed a Lie....

She Acted on the Lie...

She Disobeyed a positive command, "Ye shall not eat of it..."

She Shared the lie with others

To Return to God We Must....

Hear the Truth...

Believe the Truth...

Act on the Truth...

Obey a positive command to Repent and be Baptized....

We must Share the truth with others

How can one act of obedience unite man to God?

The same way one act of rebellion separated man from God.
