

A Model for National and Church Destruction

Former Colorado Governor Richard D. Lamm stood up and gave a stunning speech on how to destroy America. The audience sat spellbound as he described eight methods for the destruction of the United States.

He said, "If you believe that America is too smug, too self-satisfied, too rich, then let's destroy America. It is not that hard to do. No nation in history has survived the ravages of time. Arnold Toynbee observed that all great civilizations rise and fall and that 'An autopsy of history would show that all great nations commit suicide.'

"Here is how they do it," Lamm said. "**FIRST**, to destroy America, turn America into a bilingual or multi-lingual and bicultural country." History shows that no nation can survive the tension, conflict, and antagonism of two or more competing languages and cultures. It is a blessing for an individual to be bilingual; however, it is a curse for a society to be bilingual.

The historical scholar, Seymour Lipset, put it this way: "The histories of bilingual and bi-cultural societies that do not assimilate are histories of turmoil, tension, and tragedy." Canada, Belgium, Malaysia, and Lebanon all face crises of national existence in which minorities press for autonomy, if not independence. Pakistan and Cyprus have divided. Nigeria suppressed an ethnic rebellion. France faces difficult times with Basques, Bretons, and Corsicans."

Lamm went on: "**SECOND**, to destroy America, invent 'multiculturalism' and encourage immigrants to maintain their culture. Make it an article of belief that all cultures are equal, that there are no cultural differences. Make it an article of faith that the Black and Hispanic dropout rates are due solely to prejudice and discrimination by the majority. Every other explanation is out of bounds.

THIRD, "We could make the United States an 'Hispanic

Quebec' without much effort. The key is to celebrate diversity rather than unity.

As Benjamin Schwarz said in the Atlantic Monthly recently. "The apparent success of our own multiethnic and multicultural experiment might have been achieved, not by tolerance but by hegemony. Without the dominance that once dictated ethnocentricity and what it meant to be an American, we are left with only tolerance and pluralism to hold us together."

Lamm said, "I would encourage all immigrants to keep their own language and culture. I would replace the melting pot metaphor with the salad bowl metaphor. It is important to ensure that we have various cultural subgroups living in America, enforcing their differences rather than as Americans, emphasizing their similarities."

FOURTH, I would make our fastest growing demographic group the least educated. I would add a second underclass, unassimilated, undereducated, and antagonistic to our population. I would have this second underclass have a 50% dropout rate from high school.

My **FIFTH** point for destroying America would be to get big foundations and businesses to give these efforts lots of money. I would invest in ethnic identity, and I would establish the cult of 'victimology.' I would get all minorities to think that their lack of success was the fault of the majority. I would start a grievance industry, blaming all minority failure on the majority population.

My **SIXTH** plan for America's downfall would include dual citizenship, and promote divided loyalties. I would celebrate diversity over unity. I would stress differences rather than similarities. Diverse people worldwide are mostly engaged in hating each other - that is, when they are not killing each other. A diverse, peaceful, or stable society is against most historical precedent. People undervalue the unity it takes to keep a nation together.

Look at the ancient Greeks. The Greeks believed that they belonged to the same race; they possessed a common language and literature; and they worshipped the same gods. All Greece took part in the Olympic games. A common enemy, Persia,

threatened their liberty. Yet all these bonds were not strong enough to overcome two factors: local patriotism and geographical conditions that nurtured political divisions. Greece fell. "E. Pluribus Unum" -- from many, one. In that historical reality, if we put the emphasis on the 'Pluribus' instead of the 'Unum,' we will balkanize America assuredly as Kosovo.

NEXT TO LAST, I would place all subjects off limits; make it taboo to talk about anything against the cult of 'diversity.' I would find a word similar to 'heretic' in the 16th century -- that stopped discussion and paralyzed thinking. Words like 'racist' or 'xenophobe' halt discussion and debate. Having made America a bilingual/bicultural country, having established multiculturalism, having the large foundations fund the doctrine of 'victimology,' I would next make it impossible to enforce our immigration laws. I would develop a mantra: That because immigration has been good for America, it must always be good. I would make every individual immigrant symmetric and ignore the cumulative impact of millions of them."

In the last minute of his speech, Governor Lamm wiped his brow. Profound silence followed. Finally he said, "**LASTLY**, I would censor Victor Hanson Davis' book, *Mexifornia, A Sate of Becoming*. His book is dangerous. It exposes the plan to destroy America. If you feel America deserves to be destroyed, don't read that book."

There was no applause. A chilling fear quietly rose like an ominous cloud above every attendee at the conference.

Every American in that room knew that everything Lamm enumerated was proceeding methodically, quietly, darkly, yet pervasively across the United States today. ripping the foundation of our educational system and national cohesiveness. Even barbaric cultures that practice female genital mutilation are growing as we celebrate 'diversity.'

American jobs are vanishing into the Third World as corporations create a Third World in America - take note of California and other states - to date, ten million illegal aliens and growing fast. It is reminiscent of George Orwell's book "1984." In that story, three slogans are engraved in the Ministry of Truth building: "War is peace," "Freedom is slavery," and "Ignorance is strength."

Governor Lamm walked back to his seat. It dawned on everyone at the conference that our nation and the future of this great democracy are deeply in trouble and worsening fast. If we don't get this immigration monster stopped within three years, it will rage like a California wildfire and destroy everything in its path, especially the American Dream. If you care for and love our country as I do, take the time to pass this on just as I did for you.

NOTHING is exactly what will happen if you don't! (END)

APPLICATION OF ABOVE TO THE CHURCH

By George L. Faull:

The same thing will work to destroy the Church. Use words that are the language of Ashdod and non-biblical so there is a complicity of language. Bilingual, Denominational language is a great curse to the Church.

Be bicultural, as well. Do both what the Bible says and what Denominations, Catholics, and cults do. Confusion, contradiction, and conflict will result.

Encourage denominational people who come to the Bible believing church to maintain their customs, traditions, and practices.

Celebrate diversity of ideas, concepts, practices, and music rather than unity. Stress tolerance and pluralism, not Biblical mandates.

Let the people become Biblically illiterate and substitute the knowledge of the Word with the theories of men; especially be pragmatic.

Let the idea of our diversity be praised and favored by our educational and benevolent institutions.

Let the congregation celebrate the diversity from which they come. Have no pride in Biblical practice, speech, or concepts.

Put some subjects off limits. Do not discuss abortion, homosexuality, creation, modesty, or the women's role in the Church.

Freely call those who do discourse on these things heretics, bigots, women haters, male chauvinists, patriarchal dominators, fanatics, quaint, dinosaurs, cavemen, flat earthers, Neanderthals, separationists, sectarian, unloving, traditional, ego centrics and hate mongers.

These concepts are destroying the Church.

Lastly, get rid of the Bible. Do not let people read it and whatever you do, don't let going to Church be anything like it used to be.

Be tolerant of all.
