

## RIGHT UNDER OUR NOSE!

Traveling to work one day I saw a new billboard sign that read, "No Child Should Be Forgotten". I then remembered the motto given by former president George W. Bush of, "No Child Left Behind", in regards to a child's education.

What went through my mind was...."What a contradiction! No child forgotten? No child left behind?" Yet, they FORGET that babies are being murdered everyday. What about them? Hasn't THAT child been forgotten? Haven't THEY been left behind?

The famous sayings and concepts are good ones, yet the leaders who make the laws seem to only apply them in the areas which work towards their own agenda and sounds good on their record at that time!

The murder of 55 million babies in our nation, will not go unnoticed by God. We will be held accountable for it, as history proves.

Many still do not realize that abortion is actually MURDER!! Some women/girls will say, "It's MY body and I have MY rights". Sure, but what about the RIGHTS of that unborn child? The young boys may say, "I don't want it, get rid of it."

To abort a child caused by rape is to believe "two wrongs make a right".

Countries are led by leaders and if they make laws that give way to sinfulness, then the country will certainly follow if they do not adhere to God's designed laws. This is one reason why our nation is where it is today.

Have you heard about the Georgia Guidestones? Many do not know what they are! These are four 16' 4" slabs of granite stone with 8 different languages of writings of the NEW Ten Commandments. They are located in Elbert County, Georgia, approximately 90 miles east of Atlanta, and 9 miles north of the center of Elberton, GA. You can go there and see them, yourself.

(Notice the very first NEW commandment....)

- 1 – Maintain humanity under 500,000,000 in perpetual balance with nature. (What is to happen to the other 6.7 billion that is on the earth?)
  - 2 - Guide reproduction wisely, improving fitness and diversity.
  - 3 - Unite humanity with a living new language.
  - 4 - Rule passion, faith, tradition, and all things with tempered reason.
  - 5 - Protect people and nations with fair laws and just courts. (How are they going to get rid of 6.7 billion in a "just way"?)
  - 6 - Let all nations rule internally resolving external disputes in a world court.
  - 7 - Avoid petty laws and useless officials. Balance personal rights with social duties. (As determined by whom?)
  - 8 - Prize truth, beauty, love, seeking harmony with the infinite. (How can you prize truth and rule faith?)
  - 9 - Be not a cancer on the earth. Leave room for nature. Leave room for nature. (This is not a duplication error, it's written this way but does this mean let animals dominate us?)
  - 10 - Balance personal rights with social duties. (How? "Without petty laws and useless officials"?)
- And This Was Done Right Under Our Nose.**

Why hasn't anyone passed this information along? It's been 33 years since they were erected in 1980, by some anonymous man named, R. C. Christian!

Now if I lived in that area and saw them, I would inquire why they were there, who decided THESE were to be our NEW laws? Who made this anonymous group the ones to obey these new "secretly placed" laws? These actually go against our very own constitution.

If their first commandment is to "reduce" the population by over 6 billion people, then how are they to accomplish this? One can't just go out and begin murdering people outright. But how subtle it would be if the following were suggested or allowed to be carried out to accomplish this first "commandment":

**Abortion** – These children would never be able to live to reproduce more children. This is murder to God.

**Euthanasia** – The elderly are not useful anymore, let's just let them die quietly..... This, too, is murder to God.

**Homosexuality** - They don't reproduce and if they get a disease, like AIDS, then maybe others will die, as well. God calls homosexuality (not homosexuals) an ABOMINATION to God.

And more can be listed.....

### **These are Done Right Under Our Nose**

This is nothing new under the sun. Even history shows how evil works have been done right under people's noses.....

Let's review some Scriptures, then look at the lessons we should learn from them:

### **Moses**

Moses had gone up to Mount Sinai to obtain the tables of the REAL Ten Commandments, yet the people saw his delay in coming down and totally forgot all that God had done in bringing them out of Egypt. (How quickly people forget God's work in our lives!!) **Exodus 32:1-8**

So they got up and began to play and wanted to have a "god" to worship.....And while Moses was fasting, working his way up the mountain, meeting with the Lord, and receiving specific instructions from God, Himself.....the people were having a party and sinning in various ways. **Right under his nose.**

**Lesson** – People abuse new freedom and fall into rebellion.

### **Solomon**

**I Kings 11:4**, "For it came to pass, when Solomon was old, that his wives turned away his heart after other gods: and his heart was not perfect with the LORD his God, as was the heart of David his father."

Solomon was the wisest man in the world yet he continued to marry numerous wives. Many of these wives were foreigners and apart from their husbands' daily life.

He had groves built for several of his wives' foreign gods, probably to appease them since he was not with them and they could not be with any other man. When he was older, Solomon worshipped at the gods of his wives.

So when the wisest man in the world does these things, a son of David who was loved so by God, the people would certainly feel they could follow in the same manner. God had to bring punishment sooner or later.

### **Solomon's sin was done right under their nose.**

**Lesson** – Rulers who think they are wise and think one God is as good as another cause God's people to sin and they follow like sheep. (The Lord is NOT Allah).

### **Haman**

**Esther 5:12-14**, "12 Haman said moreover, Yea, Esther the queen did let no man come in with the king unto the banquet that she had prepared but myself; and to morrow am I invited unto her also with the king. 13 Yet all this availeth me nothing, so long as I see Mordecai the Jew sitting at the king's gate. 14 Then said Zeresh his wife and all his friends unto him, Let a gallows be made of fifty cubits high, and to morrow speak thou unto the king that Mordecai may be hanged thereon: then go thou in merrily with the king unto the banquet. And the thing pleased Haman; and he caused the gallows to be made."

The king didn't even know what Haman was planning by trying to decree in the king's name to exterminate the Jewish race. He planned, schemed, and even paid the King a vast amount of money to aid his evil plan. His family and friends urged him to build a gallows to hang Mordecai, the one who opposed him and caused this anger to build against these people. **All was done right under the King's nose.**

**Lesson** - Leaders pass earth-shaking laws they plan to read after the law has been passed. (Shades of Pelosi)

### **Look Around**

– And understand the warnings that we are being given. We must continue to teach, take a stand for what is Godly, and not compromise our morals just because the world will do wrong.

### **Look Down**

– Into the Word of God to make sure we are doing our part to understand His Will in our lives and pass that along to others.

### **Look Up**

– To God as our guide and authority. His Word will keep our focus on Him.

Let's pray for our Nation, for God's people, and those in our leadership who are doing wrong, that there may be repentance.

**Do You Know:**

1. What are our countries' leaders doing?
2. What your Church leaders are doing?
3. What your spouse is doing?
4. What your children are doing?
5. What your obligations are from God's Will?

Are we really aware of what's going on? It may seem so innocent and some even REALLY FUN; and yet.....

What's Being Done Right Under our Nose???

--Tabitha
