“PERSONAL SPIRITUAL GROWTH”
Instructor: Jerry M. Paul

HAVE YOU EVER FELT

Like you were operating on spiritual fumes? ...*lonely?* ...*shallow?* ...*without real substance and depth?* ...*without a living sense of genuine communion with God?*

HAVE YOU NOTICED THAT

Much of what we do in the church and our individual Christian life *leads nowhere* as far as our *real spiritual development* is concerned?

This Seminar will address these issues.
